### Register for Breaking the Chain: A Cybersecurity Seminar

[Register now](#) for our third annual cybersecurity seminar on Tuesday, June 19 at the Brier Creek Country Club in Raleigh, NC. This year's event focuses on how you can break the cyber kill chain® developed by Lockheed Martin. Our keynote presentation from Huntress Labs focuses on data breaches and the steps you can take to minimize your risk.

#### **Agenda highlights:**

- The GDPR deadline has passed. Now what?
- How do penetration tests simulate a real-world attack on your organization?
- Why is it important to differentiate between Incident Response and Breach Notification?
- What methods do malicious entities use to exploit weaknesses via social engineering and wireless attacks?

These questions and more will be answered at Breaking the Chain: A Cybersecurity Seminar. We invite you to join us for the networking reception following our program. CPE credits will be offered for this event.

Space is limited, so [register](#) today!
